

-120processing.com- Shipping Forms

Long Story: Packages sent using our prepaid mailing label travel through the First Class mail system, but often arrive a day or two later than standard First Class mail due to sorting and billing in the postal system. In an effort to give you faster service, we are recommending that customers pay their own postage. As an incentive, you get \$1 off your order for each roll you mail in. See 120processing.com/mailling_label.html for more information.

Limit of liability:
Submitting any film to this firm for processing or other handling constitutes an agreement by you that any damages or loss by our company or employees even though due to the negligence or other fault of our company or employees, will only entitle you to a replacement with a like amount of unexposed film and processing. Except for such replacement, the acceptance of the film is without other warranty or liability, and recovery for any incidental or consequential damages is excluded. We are not responsible for any loss, damage, or delay caused by the U.S. Postal Service, UPS, Fed Ex, or any other package carrier. Prices and terms are subject to change without notice.
